Ford uses clearcoat paint for beauty and protection. Colors shown are representative only. Not all colors are available on all models. See your dealer for actual paint/trim options. Vehicles shown may contain optional equipment.

### 4.6L/5.4L TRITON V8

Brawny Ford engines are at the heart of E-Series versatility and capability. E-Series is the only cargo van in its class to come with a standard V8: the 4.6L Triton. Every E-Series gas engine features a silent-design cam drive for smooth, quiet operation, plus a fail-safe cooling system and a 100,000-mile scheduled tune-up interval.<sup>2</sup> Step up to the 5.4L Triton V8 to get extra punch for many high-capacity applications. Its proven SOHC architecture pumps out 255 hp and 350 lb.-ft. of torque across a wide powerband.
